

Come Ride with Beyond Vision as we GROW!

(Photo: Jim Tess, our 2013 Employee of the Year and a successful DVR consumer, on a H-D Dyna Glide at a recent training at Harley-Davidson.)

Beyond Vision, a social enterprise located in Milwaukee, is dedicated to providing career opportunities and upward mobility for people who are blind or visually impaired.

An expanded agreement with Harley-Davidson has us looking for talented individuals to work in our Call Center. In addition to the Harley-Davidson program, we have a diverse portfolio of call programs. And we continue to grow.

We are looking for individuals with excellent customer service skills over the phone, strong keyboarding and computer skills (with appropriate adaptive technology), a team player, and a desire to learn, work hard and grow.

We offer the opportunity to work with great customers like Harley-Davidson, a culture committed to accessibility for people who are blind or visually impaired, and the opportunity to learn and grow professionally.

If interested, please contact our Human Resources department at hr@beyondvision.com or 414-758-2739.
