

Staff Accountant

Grow With Our Mission!

We are a social enterprise that focuses on creating career opportunities for people who are blind or visually impaired. In order to accommodate our strategic growth, we have created this new position. We are hoping to find a talented person that can grow with our organization.

Under the direct supervision of the Controller this position:

Assists the Controller with the day-to-day, monthly and year-end operations of the Finance Department. This includes preparation of all internal sales reporting. Prepare and file all sales and use tax reporting. Analyzes profit margins for finished goods parts in manufacturing business units. Coordinates cycle count process, performs related variance investigation and reports results. Prepare and process biweekly payroll for the organization.

We require:

- A passion to fulfill the Beyond Vision mission and to place the mission above personal needs or goals.
- Must have a Bachelor degree in Accounting or Finance, CPA is a plus.
- A minimum of 3-5 years of experience in accounting.

We offer:

- Competitive compensation and benefits package.
- A culture that values delighting our customers, constant improvement, and fun!
- Opportunity to help create real jobs and upward mobility for people who are legally blind. Our mission is the most important aspect of our bottom line.
